DISTRICT COURT.—The following Grand Jurors for the term were sworn in yesterday morning: D. Wilkin, (Foreman), E. Hamilton, A. Brown, Geo. Arnold, E. A. White, J. M. Coschina, W. H. Dolan, J. C. Johnson, P. Heitzelman, A. F. Barron, F. A. Buck, Geo. Scammon, F. Kasten, M. Quillan, Chas. Wiederhold, G. W. Malone, D. C. Clark. Having been duly instructed by his Honor, they retired in charge of the Sheriff for deliberation. Yesterday's session was wholly occupied with the consideration of a motion to dissolve the restraining order heretofore issued in the case of the Kentucky Silver Mining Co. vs. the Hermes do. For plaintiff, Pitzer & Corson, Bishop & Sabin, J. C. Foster and R. S. Mesick; for defendant, Perly & Rives and F. L. Aud. The hearing of the motion was continued until tomorrow morning at 10 o'clock, when it will be resumed at chambers. Court adjourned till next Thursday at 10 a. m., when it is thought a number of attorneys from abroad will be entered on the docket.

INCORPORATION.—There seems to be some secret movements on the subject of incorporating the town of Pioche. Why there should be any secrecy is something which surpasses our comprehension. We have freely expressed our views on the subject, and have been always willing that all should freely ventilate their sentiments on the subject. Whatever of merit there may be in incorporation should be fairly placed before the public, and all should be allowed a fair hearing. A bill for the incorporation of the town has already been introduced into the Senate by Mr. Wilson, and it is but a matter of justice that the wishes of his constituents; but how can the public voice be heard while secret conclaves put up jobs to mislead their neighbors? Give the subject a fair investigation, and adopt the best plan. We favor incorporation, and if there is any good reason against it, we do not object to giving it publicity.

GOOD BUILDING PROJECT.—Capt. T. F. Hauley is erecting on Meadow Valley street, on the lot which his saloon lately stood, a fine stone building, which is to be 21 feet front by 90 feet deep. The lower floor is to be used as a saloon. The upper story, which is to be 21x90 feet, is to be known as Hibernia Hall, will also be occupied as the armory for the Meagher Guards. It will also be let for public meetings, balls, etc. A good hall near the center of the town is something very much to be desired, as the Court House is too far off for the convenience of the public. Its dimensions are also suitable for a ball room, where those who delight to join in the dances or the giddy dance may have an opportunity to enjoy themselves. The building will be plastered and hard-finished throughout. In the rear will be a cellar 20x30 feet, and perfectly fire-proof. Weather permitting, the building will be completed by the 1st of March.

NEW MAIL ROUTE.—Among other routes for which proposals will be received, is one (No. 16,447) from Toano, via Silver Zone, Shelburn, Piermont, Sacramento District, Patterson District and Silver Park, to Pioche, 260 miles and back, once a week. To leave Toano Monday at 6 a. m.; arrive at Pioche Saturday at 6 p. m. Leave Pioche Monday at 6 a. m.; arrive at Toano Saturday at 6 p. m. Proposals will be received at the Contract office, P. O. Department, until 3 p. m. on March 3, and a decision announced on or before the 20th. Contract is to commence on July 1 and continue one year.

ROBBERY.—Of late quite a number of robberies have been committed in this town, some of which indicate that the perpetrators are not wanting in experience in such work. Perhaps the depredations have been reading of the efforts to suppress murder, and our advocacy of the death penalty; so have concluded to compromise with justice by allowing their victims to live, and at the same time robbing them of what change they may happen to have about them. A little healthy hanging for these robbers might not be amiss.

KENNARD, CLARK & CO., Meadow Valley street, have an extensive and varied stock of liquors and cigars. Some of their liquors are from six twelve years old. They have a thorough fire-proof cellar, 12x30 feet in dimensions, which is stored with a superior assortment of liquors of all kinds. While a fire might injure this firm considerably, no conflagration could destroy their stock entirely. They are doing a good business, and are destined to increase their business with the general increase of the town.

COL. U. E. ALLEN, of White Pine, is still in our midst. It will be recollected that Col. Allen is one of the Senators elected in White Pine county, but as there is a doubt about his being able to hold his seat as Senator, he has seen fit not to go to the capital until the question of his right to the seat is settled. If it should be declared that he is entitled to the seat to which he has been elected, he will at once repair to Carson; otherwise he will not go at all.

POCICHE BRASS BAND.—This is not a body of amateurs, but is composed of a number of proficient musicians, who banded themselves together for mutual improvement and practice. They discourse some very difficult pieces with good effect. When thoroughly drilled and practiced they will be able to enliven any occasion with their music.

COLD.—Yesterday the weather was clear and cold. The wind blowing from the heavy snow banks on the north renders the air very sharp.

GOVERNOR'S MESSAGE.—We are under obligations to Senator John R. Wilson for copies of the Enterprise containing the Governor's message.

TO ARRIVE TO-DAY.—The following passenger left Hamilton yesterday for Pioche, who will arrive on to-day's stage: John Emanuel.

WENT TO THE RAY.—D. Wattlett started for the Ray yesterday S. Ashim left the day before.

RAFFLE.—Mrs. S. F. Lovell now offers at raffle or lottery a lot of personal property, consisting of carpets, stoves, cottage furniture, sewing machine, dry goods, etc. The entire lot is valued at \$1,000; 400 prizes at \$2.50 each. Every ticket will draw a prize of some kind. Due notice will be given of the time and place of drawing.

WILMANS' HOUSE.—The proprietor has just completed, at considerable expense, another story to his hotel, being thus enabled to accommodate a much larger number of patrons than heretofore. Mr. Wilmans has long been connected with the business of hotel keeping, and has many friends among the old settlers of Pioche.

DR. FOLTZ.—Dr. Bergstein is in receipt of a letter from his father, who communicates the melancholy fact that Dr. Foltz, late of this place, was in a critical state of health. Although not unexpected (as Dr. F. was quite unwell when he left here), it is nevertheless a source of regret to his many friends.

DENNIS DOWNEY, the man whose feet were recently amputated, remains in the hospital, and is doing as well as could be expected. He will be properly cared for and receive good medical attendance until able to provide for himself.

NEW FIRM.—Williams & Errant pay their respects to the public this morning through our columns, and offer for the consideration of purchasers an assortment of ready-made clothing, furnishing goods, hats, boots, etc.

OWING to the continued heavy state of the roads, mail arrivals are necessarily irregular, but it can't be helped. We seldom get a chance to clip from our exchanges on the night they are received.

OPEN ALL NIGHT.—The Arcade Chop House is kept open all night, for the accommodation of such as may desire a meal or lunch at a late hour. All the delicacies are to be had.

MAHONEY & O'TOOLE'S stock of ready-made clothing, hats, caps, boots, shoes, furnishing goods, etc., is not surpassed by any in town. See advertisement.

FOR SALE.—Several houses and lots, as also a saloon doing a good business, can be purchased at a bargain by applying at this office.

JOHN D. BOYD, one of the old timers of Pioche, returned on Monday evening. He is quite well, and looks as hale and hearty as ever.

JAMES LEVY, well-known in Pioche, is now in Hamilton, with his feet frozen, and it is feared that amputation will be necessary.

THE Salt Lake stage arrived last evening about half-past 10 o'clock. Heavy roads threw it behind time.

The Late Raffle.

The undersigned beg to show that they have a just claim to the house, lot and furniture raffled at the Palace Club Rooms on the 7th inst., and claimed to have been won by Andrew Mr. Travis the same number. Another ticket holder subsequently threw 45, but the throw was declared "fool" by the judges, and immediately after he threw again and on that throw made 42. Under this state of facts we claim that the prize cannot properly be awarded to us or to Mr. Travis, as the two highest throws were made by two parties, and one party is as much entitled to it as the other. Mr. Travis claims the prize by virtue of a purchase of the throw of 45, which was at the time declared "fool." We have formally notified Mr. Boone not to give a deed to the property until the difference between Mr. Travis and ourselves is settled in favor of one or the other party.
